OTHER NON-PEER REVIEWED PUBLICATIONS

Authored more than 500 environmental, medical, science and technology news and feature articles for campus newspapers and magazines (online and/or in print) for The Ohio State University, Pennsylvania State University and Brown University.

So far, the Providence Journal has published close to 500 of my commentaries and features, which are also carried in online and print publications worldwide.

I've authored about 15 magazine or newspaper features about science and nature for various media.

I have also read seven different essays for This I Believe-Rhode Island on Rhode Island Public Radio.

INVITED PRESENTATIONS

At Brown, I serve as a guest lecturer in courses in Biology, English, Environmental Science, History, Psychology and Computer Science.

In the last five years, I've spoken about storytelling, writing, and nature to more than 25 conservation, garden, rotary and other organizations across Southern New England.

TECHNICAL SKILLS

Drupal, WordPress, Google Services, Google Analytics, Trello, Transmit, Dropbox, Filemaker Pro, Excel, PowerPoint, Word, Facebook, Instagram, Snapchat, Twitter, and YouTube
